## Announcing the KampData Newsletters

---

We have recently added a newsletter management tool to our website. This system will enable you to pick and choose which email updates you would like to receive from [Kamp-Data, Inc.](#)

In the past we have sent our announcements out to all of our contacts. In this age of SPAM overloads, we would like to allow you to decide what mail you would like to receive from us.

The purpose of our newsletters is to keep you apprised of our product releases and updates.

You can use the links at the bottom of this page to manage your newsletter subscriptions.
