Hurricane Katrina: How you can help

Our hearts go out to all those affected by the loss and devastation of hurricane Katrina. From those who have lost so much to those of you who have loved ones affected by this heartbreaking disaster.

For more information on how you can help, please contact the Red Cross on their [website](#) or by phone 1-800- HELP NOW or 1-800-435-7669. The call volume is high at the Red Cross so they are asking everyone to use the website when possible for your own convenience.

An eye on the future with solutions for today

In the ever changing world of taxation our dynamic sales tax solutions make calculations and reporting quick and easy. Integrating directly in Microsoft Business Solutions – Great Plains to enhance the functionality of your accounting system, [DynamicZip](#) is a powerful tool that is flexible enough to meet the demands of large enterprises, yet affordable enough for small businesses.

Our powerful [Tax Engine](#) will allow you to ‘think outside of the box’! This plug in product brings sales tax related features to other applications.

Get the latest build of DynamicZip

Use our new tax engine to easily add comprehensive sales and use tax calculation and reporting features to your sales or purchase entry system. [More ..](#)

The KampData Tax Engine Lite is FREE!

If you have an application that needs to calculate sales and/or use tax based on the Great Plains tax details and tax schedules, check out the [lite version](#) of the KampData Tax Engine. It is available now, free of charge.

Q & A

Question: I need to report to a number of entities and would love to streamline my reporting processes. Can DynamicZip help me do that?

Answer: For build 61 and later you can utilize the [Option F report](#) to send your filing information to [CCH](#) electronically. The information then automatically populates the forms and you can print them from their secure website.
