

*An eye on the future. Solutions for today.*

## DynamicZip Build 69 with Service Pack 2a for Microsoft Dynamics GP™ v9

DynamicZip for Microsoft Dynamics GP v9.0 is now available for [download](#) from our website. Download now and enjoy all the dynamic [features](#) contained in this exciting release of DynamicZip!

This download is build 69-sp2a which contains the original version 9 release of DynamicZip enhanced with all subsequent service packs.

### This service pack addresses the following issue:

- Fixed a bug that could affect all non-optimized tax reports as well as SQL optimized cash basis reports: Documents with over 20 tax detail records were getting excluded from reports that had an address restriction (i.e. a restriction to a single state) based on the Tax Detail Supplement address.

For additional details visit the [modifications](#) page on our website.

**REMINDER:** Kamp-Data is now a reseller of CCH products, purchase your ZIPsales Database and other CCH products from us at the same time as your DynamicZip purchase.

### Live Demos and Training Available

Get your questions answered live over the Internet! Contact [Jared](#), or use our [Demo Request Form](#) or [Training Request Form](#) to schedule a **free** demo or training session today.

*"No one lives long enough to learn everything they need to learn starting from scratch. To be successful, we absolutely, positively have to find people who have already paid the price to learn the things that we need to learn to achieve our goals."*
