Spotlight on the DynamicZip Import Process

Importing the ZIPsales Database

If you are liable for tax in multiple jurisdictions, setting up and maintaining the tax details and schedules by hand can be an overwhelming task. DynamicZip imports the ZIPsales Database *and* provides automatic setup and maintenance of the tax details and tax schedules in Microsoft Dynamics GP. After you import the ZIPsales Database into Microsoft Dynamics GP, additional setup is required. [Click here](#) for a detailed setup checklist.

Visit our [Web site](#) for more information or [download](#) now and enjoy *all* the dynamic [features](#) in DynamicZip!
